

2011 CABERNET SAUVIGNON TURKEY FLAT VINEYARDS BAROSSA VALLEY

100% CABERNET SAUVIGNON

OUR STYLE

Balanced & rich, this wine shows that the Barossa can do Cabernet - and do it very well! We pride ourselves on crafting Cabernet Sauvignon that has the grace & elegance to sit comfortably in the cellar for many years & come out with style & finesse.

THE 2011 VINTAGE

The 2011 growing season was atypical for the ordinarily sun-drenched Barossa Valley. The cool ripening conditions enhanced the aromatics of the often heat-shy Cabernet.

TASTING NOTES

This wine displays all the classic qualities of Cabernet Sauvignon with a balance rarely seen in the Barossa Valley. Blueberries, cedar and tomato leaf on the nose with a bright, balanced and structured, palate showing elements of red fruits and cassis which lead to persistent tannins.

ENJOY WITH

The herbaceous notes inherent in Cabernet Sauvignon work wonderfully well with the charred edges of grilled meats and bitter-tinged vegetables like witlof & radicchio.

OUR WINEMAKING

Close monitoring of ripeness levels promote a wine that ages well, continuing to be bright, expressive & structured for many years. This wine spends approximately 20 months in new & old French oak barriques.
