TURKEY FLAT VINEYARDS

BAROSSA VALLEY

ESTATE SHIRAZ

~ 2024 ~

Shiraz is a variety that carries great significance in the Barossa Valley and as caretakers for some of the oldest surviving Shiraz vines in the world (dating back to 1847), we take immense pride in crafting this wine. Our highly acclaimed Shiraz has received numerous awards since its first vintage in 1990. However it's the versatility of this wine, in the way it embraces both power and elegance that we are most proud of. Approachable in its youth or cellar for many years.

TASTING NOTES

On the nose there's concentrated blackberry, mulberry and dark chocolate notes along with deft touches of olive tapenade, choc/orange and integrated oak.

The palate is tightly structured with a mineral feel and graphite edge leading into a long flavourful and juicy finish. A wine that shows restraint and finesse, but with underlying power for which the Barossa is famous for.

VINTAGE 2024

The 2024 vintage commenced in February, exactly twenty days earlier than in 2023.

Ripening came on quick late January, thanks to lower yields, warmer late season conditions, and lack of rainfall. February recorded 0mm of rain, coupled with a three-week stint of temperatures 30 degrees or above. This created

a compressed vintage which was completed in a record five weeks. Despite the conditions, the lower yields produced high quality fruit of intense concentration, ripe tannins, and generous flavour.

WINEMAKING

This Shiraz is a result of blending individual parcels across our Bethany and Stonewell vineyards, which show the greatest potential for cellaring. Each parcel is individually vinified in open top fermenters and aged in French oak for up to 18 months, to create a wine which is perfect in its youth but will also reward patience for many years to come.

WINEMAKER: James Adams

HARVESTED:
March 2024

VINEYARD:
Bethany and Stonewell

VARIETIES:
100% Shiraz

ALCOHOL: 14.5%

OAK TREATMENT: 18 months in French oak. 25% of which were new.

BOTTLED: December 2025

CELLAR: 10+ years
